Signed by the Governor.

Comments

Requires fingerprinting and a background check prior to licensure as an resident insurance producer. More police state snooping. Exacerbates the licensing oligopoly.

We seem to be assuming that everyone is a criminal. Finger printing puts innocent people in a government database. It sounds like Nazi Germany. This is an intrusion into the person's life, not determining if the insurance is fraudulent.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
