Comments

Criminalizes any attempt to enforce the Obamacare mandate in Wyoming. The Attorney General SHALL defend any Wyoming citizen caught up in the mandate, and if he doesn't any attorney may do so as though he were the Attorney General.

This bill illustrates that some of our legislators understand the U.S. Constitution and Wyoming Constitution, especially the meaning of individual, unalienable rights, the right to contract and state's rights. Protection our rights is the proper role of government.

Weighted Rating: 3.00. Unweighted Rating: 1.00.
