61st Wyoming Legislature ★ 2011 General Session

HB0043, Workers' compensation appeals.

Sponsors: Representative(s) Zwonitzer, Dn., Brown, Gingery, Lubnau, Peasley, Stubson and Throne and Senator(s) Nutting and Scott

Comments

Makes appeals of workman's compensation cases from district court to the supreme court subject to the supreme court's rules of appellate procedure and upon a writ of certiorari. Other than explicitly requiring a writ of certiorari I can't see that this changes anything. I don't see why the legislature should muck around in the supreme court's rules like this.
