61st Wyoming Legislature ★ 2011 General Session

HB0047, State parks-user fee program.

Sponsors: Joint Travel, Recreation, Wildlife and Cultural Resources Interim Committee

Comments

Adds a \$5 state parks use fee to vehicle registration fees, and then provides for a written opt-out of the fee. Wouldn't it be simpler and clearer to the average person to simply allow county treasurers to collect the fee at any time (not just at vehicle registration time)? That the process seems to be designed to be deliberately confusing makes it a -1.
