61st Wyoming Legislature ★ 2011 General Session

HB0051, Industrial and energy development protection.

Sponsors: Representative(s) Wallis and Burkhart and Senator(s) Driskill and Jennings

Comments

Narrows the list of people who can appeal certain administrative decisions, and institutes a surety bond for persons suing over such decisions who are not directly aggrieved by the decision. Reading between the lines, this is aimed at suit-happy do gooders such as some environmentalists.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
