

Wyoming Liberty Index

61st Wyoming Legislature ★ 2011 General Session

HB0116, Elementary foreign language instruction.

Sponsors: Representative(s) Teeters

Comments

Eliminates the requirement for foreign language in government schools. While having foreign languages is a key part of a liberal arts education, not everyone is interested in a liberal arts education. Get government completely out of the education business.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
