61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **HB0125, Cooperative utilities-rate regulation.**

Sponsors: Representative(s) Childers, Bonner and Krone and Senator(s) Coe and Geis

### **Comments**

Would increase the notice required of a cooperative electric utility for certain transactions.

The extension of the date for action to take place is a positive for member owners, but is out weighted by limiting the actions to Wyoming owner members which may disenfranchise many members.

Good that it extends the time for input and discussion. Not good in that it locks out those using Wyoming utilities living out of state.

Weighted Rating: -0.67. Unweighted Rating: -0.67.
