61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **HB0128, Ethanol tax credit.**

Sponsors: Representative(s) Zwonitzer, Dv. and Roscoe and Senator(s) Geis

### **Comments**

Reduces the tax credit for ethanol, bringing it closer to an even handed market approach to ethanol production.

A bad bill made a little less bad. One business should not be given advantage over another no matter how good it is for the economy.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
