61st Wyoming Legislature ★ 2011 General Session

HB0170, Conservation easements-notification.

Sponsors: Representative(s) Miller, Childers, Gay, Lockhart, Madden and Peasley and
Senator(s) Bebout

Comments

Requires notification to mineral rights holders before a property is put into a conservation easement. Nullifying the easement due to failure to notify might be a bit harsh, but is certainly incentive to notify properly.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
