61st Wyoming Legislature ★ 2011 General Session

HB0171, Corner crossings at intersecting public and private lands.

Sponsors: Representative(s) Harshman, Gay and McOmie and Senator(s) Burns

Comments

Clarifies "corner crossing" from one parcel of public land to another at contiguous corners, where one or more other corner is private land. It's a trade off between the rights of land owners and the rights of the public to enjoy public land. A typical "commons" problem.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
