## **HB0172, Department of health fiscal oversight.**

Sponsors: Representative(s) Harshman, Barbuto, Craft, Gingery, Miller, Petroff and Steward  
and Senator(s) Peterson, Schiffer and Von Flatern

### **Comments**

Creates a Chief Financial Officer within the department of health, and transfers that office to the office of the governor. Fiscal control on the department of health is probably a good idea, and having it in the governor's office gives it some separation from the department, a good thing.

This bill creates greater fiscal accountability for the specified department.
