61st Wyoming Legislature ★ 2011 General Session

HB0183, Driving under the influence amendments.

Sponsors: Representative(s) Gingery

Comments

Increases penalties for DUI, and reduces some of the procedural protections of defendants.

We are making criminals out of persons who have committed no crime (other than the ones we make up). While I do not like drunken drivers, I do not like more the invasion of any person's unalienable rights, in this case the right to travel, the right to privacy and the right not to incriminate him/herself.
