61st Wyoming Legislature ★ 2011 General Session

HB0187, Administrative subpoenas.

Sponsors: Representative(s) Vranish, Krone and Quarberg

Comments

Reduces the protection of judicial oversight of subpoenas, violates separation of powers.

This is an intrusion into one's individual rights and an expansion of government control. Further, if this type of subpoena is issued the recipient is required to hire a lawyer to remove it. Neither of these incidents are acceptable.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
