## **HB0205, Electronic application process for board of nursing.**

Sponsors: Representative(s) Buchanan, Craft, Esquibel, K., Harvey, Lockhart and Lubnau and  
Senator(s) Martin, Meier and Scott

### **Comments**

Appropriates \$75,000.00 for the board of nursing to upgrade its computer system, and allow for on-line submission of applications. On line applications, good. But \$42,000? \$6,500.00 for a better email system? Try gmail.com, guys. Etc. The word "boondoggle" comes to mind.
