61st Wyoming Legislature ★ 2011 General Session

HB0212, Teacher tenure-3.

Sponsors: Representative(s) Teeters

Comments

Reduces tenure for some teachers. Generally a good idea.

No one should be guaranteed employment. This bill moves school districts in the direction of being able to hold teachers accountable for their productiveness and actions. Tenure and like designations only make it more difficult to hold employees accountable.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
