61st Wyoming Legislature ★ 2011 General Session

HB0220, Homestead exemption-county option.

Sponsors: Representative(s) Roscoe

Comments

Mucks with the terms of the homestead exemption at the state and county level. Formalizes the process for implementing a county level exemption. This is probably a good bill, but not to the level of a one rating.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
