61st Wyoming Legislature ★ 2011 General Session

HB0222, Recreational considerations in public land exchanges.

Sponsors: Representative(s) Harshman, Brechtel, Gay, Kroeker, Lockhart, Loucks and Stubson
and Senator(s) Jennings

Comments

Requires that recreational use be considered in the appraised value of state lands when selling them. This will probably increase the value of state lands, so is a good deal for the taxpayer.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
