61st Wyoming Legislature ★ 2011 General Session

HB0228, Food freedom act-2.

Sponsors: Representative(s) Eklund, Gay, Semlek, Wallis and Zwonitzer, Dn.

Comments

A second food freedom act. See HB 11 and HB 8.

While this bill is the right idea it is too restricting in some areas. One is the restriction on milk and meat. Another in requiring that people be informed that the establishment is not licensed. First, that is the person's responsibility (gov. is to stop false or fraudulent advertising) and second, the very reason a person would buy or trade there is because the person knows that they are getting unregulated food. There is no recognition of barter.
