61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **HB0238, Tattoo studios-blood donation certification.**

Sponsors: Representative(s) Zwonitzer, Dn., Blake, Kasperik and Petroff and Senator(s) Martin

### **Comments**

Sets up a voluntary certification for tattoo studios for safety regarding blood borne diseases. The certification is a good idea, but why should the government do it? There are plenty of industry certification programs that work just fine.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
