61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **HB0247, Education accountability-2.**

Sponsors: Representative(s) Teeters

### **Comments**

Creates the Wyoming Accountability in Education Act. It sounds like more bureaucracy and legislative micromanagement, at the cost of \$75,000. Requires all schools to meet improvement targets. There is no requirement that the data be made available to the public. See also SF0146

Yet another bill giving up our State's rights and responsibilities to the federal government so we can receive our coveted federal allowance. When are we going to take responsibility for that which is ours.
