## **HB0261, Ethanol credit-recoupment.**

Sponsors: Representative(s) Madden, Blikre, Campbell, Goggles, McOmie, Miller, Petersen and Zwonitzer, Dv.

### **Comments**

Creates the ethanol tax credit recoupment program and appropriates \$2,250,000.00 for it. Transfers to the Department of Transportation funds that it would have collected had the ethanol tax credit not existed. Sounds like a lot of accounting fancy footwork. Wouldn't it be simpler to abolish the ethanol tax credit?

A sleight of hand way to spend an extra \$2.5m.
