61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **HB0262, Healthy workplace.**

Sponsors: Representative(s) Zwonitzer, Dn.

### **Comments**

Makes unlawful an "abusive work environment"; defines that and related terms. Makes an employer vicariously liable for abusive practices by its employees, who may also be held liable. Maximum fine is \$25,000.00 except for individually named defendants. But the law is only civilly enforceable. This bans reprehensible activity, but is legislation the right way to do it?
