61st Wyoming Legislature ★ 2011 General Session

HJ0004, Repeal of 17th amendment.

Sponsors: Representative(s) Miller, Edmonds, Harshman, Peasley and Shepperson

Comments

Another toothless resolution calling on Congress to amend the Constitution. Nice idea, good research, but ultimately meaningless. Compare with HB 257

Those who proposed this resolution understand the importance of the kind of government created by our founding fathers, specifically the need for national representation of both the people and the state.
