### **Comments**

Authorizes a network of "aging and disability resource centers". Further expansion of the state into health care.

"While the people should provide for the government, the government should not provide for the people." President Grover Cleveland. This is specific welfare. Ensuring people's life satisfaction and well-being is not the role of government, it is the role of charity and religion.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
