### **Comments**

Appropriates state money and federal money for increased medicare funding. Medicare and other entitlements are bankrupting the federal government and others around the world; we need to avoid that mistake.

While we should care about the disabled it is not the government's role. Our welfare system (specific not general) is one of the three leading causes of excessive spending and it is not even constitutional.

Weighted Rating: -2.00. Unweighted Rating: 1.00.
