61st Wyoming Legislature ★ 2011 General Session

SF0056, Real estate brokers and salesmen revisions.

Sponsors: Senator(s) Johnson

Comments

This seems to be general revision and clean-up of the current statute. Providing definitions is probably a good idea. However, increasing the penalty for real estate activity without first "joining the union", from \$1,000 to \$5,000, is too much.

Weighted Rating: -1.00. Unweighted Rating: -1.00.
