Nay votes: Senators Barnard, Burns, Case, Coe, Emerich, Esquibel, F., Hastert, Hicks, Jennings, Martin, Nicholas, P., Peterson, Ross, Rothfuss, Schiffer and Von Flatern

Comments

Liberty Neutral.

While agriculture is extremely important one section of business should not be treated differently than another, that is subsidy or specific welfare not general welfare (and general welfare really just means working within the defined limited powers of government). This is socialism again, i.e. government control of production.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
