Nay votes: Representatives Zwonitzer, Dn. Senators Case and Emerich

Signed by the Governor.

### **Comments**

Appropriates \$125,000 for wildlife/livestock disease research. Brucellosis, anyone? As long as government "owns" the game, government has a responsibility to mitigate transmittal of diseases from the game to livestock, just as any private owner would have such a responsibility.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
