61st Wyoming Legislature ★ 2011 General Session

SF0104, Meningococcal vaccination.

Sponsors: Senator(s) Landen and Scott and Representative(s) Gay

Comments

Adds meningococcal vaccination to the list of required vaccinations for children. Appropriates \$335,000.00 for the program. The nanny state at work: this is the parents' decision, not the state's.

Mandatory! That sounds like tyranny. Government is supposed to protect my rights not tell me what I must do.
