

Wyoming Liberty Index

61st Wyoming Legislature ★ 2011 General Session

SF0127, Gillette Madison water project.

Sponsors: Senator(s) Hines

Comments

Creates a new Water Development Account IV as a "rainy day" fund to cover projects beyond the capabilities of the first three Water Development Accounts, and appropriates \$15 million for the Gillette Madison water project to it. The money won't actually be spent without further approval by the legislature.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
