61<sup>st</sup> Wyoming Legislature ★ 2011 General Session

## **SF0141, Constitutional instruction for officials-2.**

Sponsors: Senator(s) Jennings and Representative(s) Brechtel

### **Comments**

Appropriates \$66,000.00 for the Secretary of State to create a course of instruction on the state and federal constitutions. Enabling legislation for SJ1 (4??). I think we can get excellent course for less than \$66,000 from the free market.

It is sad that this would have to be proposed as an amendment to our Constitution, but it is critically essential. My experience over the last few years has been that only a few of our government officials have read nor understand the Constitutions of Wyoming and the US, nor do they understand the principles of liberty established by our founding fathers.
