### **Comments**

The real Health Care Freedom Amendment; accept no substitutes. Prohibits any requirement to buy health insurance.

This bill illustrates that some of our legislators understand the U.S. Constitution and the Wyoming Constitution and principles of freedom, especially our unalienable right to choose our health care or anything else and the legislators understanding of what is not the business of the national government.

Weighted Rating: 2.50. Unweighted Rating: 1.00.
