Nay votes: Representatives Barlow

Signed by the Governor.

### **Comments**

Simplifies water well permitting under certain circumstances. This is probably a good idea, but I'm not sure it is good enough to call it a good bill.

R-: Reduces revenue received from industry by a bit more than \$1000. Takes a tested simplified permitting system and makes it law. No obvious liberty implications.

Weighted Rating: 0.50. Unweighted Rating: 0.50.
