62nd Wyoming Legislature ★ 2014 Budget Session

HB0016, Misclassification of employees-penalties.

Sponsors: Joint Corporations, Elections and Political Subdivisions Interim Committee

Comments

This is one of those bills where some knowledge of the background story would help. Meanwhile, I look upon making yet another act illegal with a jaundiced eye.

N: No significant fiscal or personnel impact. Tries to make reporting fraud more precise which drops it into the realm of creeping big brotherism and increasing the complexity of the legal code to no obvious good. Why not simplify with something like, "Knowingly providing any form of information or data that is false or otherwise incorrect is subject to penalty..."
