62nd Wyoming Legislature ★ 2014 Budget Session

HB0029, Nonconsensual towing-rotation lists.

Sponsors: Joint Transportation, Highways and Military Affairs Interim Committee

Comments

Establishes a rotation list for tow companies and sets standards for involuntary towing, e.g. after an accident, when the owner cannot assist. There is a problem (gouging by some towing companies) but this is an overly bureaucratic and micromanaging solution to the problem. Also see HB 116.

N: No fiscal or personnel impact. The bill is intended to equalize employment opportunities for towing companies called upon to remove vehicles from State roads. As such, it does not have direct liberty implications.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
