62nd Wyoming Legislature ★ 2014 Budget Session

HB0030, Prohibited harassment of wildlife.

Sponsors: Representative(s) Watt

Comments

Prohibits the use of drones to harass or take wildlife.

N: No significant fiscal or personnel impact. This adds the use of drones for hunting as being unsportsmanlike. Rather than being anti-liberty, this is more on the order of setting the rules of the game associated with the use of a hunting license after having purchased it.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
