Comments

Modifies the terms for grants or loans related to ceasing the use of a municipal waste facility, to include not just shutting it down entirely, but turning it into a transfer station. I'm not wild about one level of government raising funds (taxes) so that another level of government can spend it. But liberty neutral.

N: No fiscal or personnel impact. Gives a little more (regulated) flexibility to local solid waste operators. Not much, if any, net liberty impacts.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
