62nd Wyoming Legislature ★ 2014 Budget Session

HB0049, Marihuana possession.

Sponsors: Representative(s) Byrd and Senator(s) Case and Rothfuss

Comments

A small step in the right direction.

U: The fiscal impact to the judicial system is indeterminable and there is no significant fiscal impact to the Department of Corrections. This is a baby step toward ending the prohibitively expensive war on marihuana and as such is liberty-enhancing.

Weighted Rating: 1.00. Unweighted Rating: 1.00.
