62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0050, District court filing fee.**

Sponsors: Representative(s) Gingery, Krone and Moniz and Senator(s) Driskill

### **Comments**

Increases the court filing fee from \$70 to \$95. This acts as a disincentive to exercise one's right to a day in court, but it is such a small part of the cost of a suit that the bill is probably liberty neutral.

R+: Raises District Court filing fees. The court system is a government monopoly in Wyoming. Any time that a monopoly wants to raise prices rather than working to cut administrative costs it is suspectâ€ effectively guilty until proven innocent, especially during times of recession.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
