62nd Wyoming Legislature ★ 2014 Budget Session

HB0056, Temporary licensing-insurance producers.

Sponsors: Representative(s) Loucks and Blevins

Comments

Speeds up the process of licensing insurance professionals. While we are not fans of occupational licensing, we support minimizing the impact on those affected by it.

U: This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. This is a baby step that loosens licensing requirements for insurance producers under special circumstances. As such this provides a smidgeon of flexibility to the free market which is not already there.
