62nd Wyoming Legislature ★ 2014 Budget Session

HB0060, Light trailer titles.

Sponsors: Representative(s) Greear, Larsen, Lubnau and Moniz and Senator(s) Driskill and Geis

Comments

Exempts trailers weighing 1000 pounds or less from the title requirement. A move toward abolishing government titles and allowing private title systems.

U: The fiscal impact is indeterminable, but insignificant. Something of a mixed bag. We'll call it liberty neutral.

Weighted Rating: 0.50. Unweighted Rating: 0.50.
