62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0065, Sales and use tax-exemptions.**

Sponsors: Representative(s) Berger, Brown, Coleman and Greene and Senator(s) Anderson, JD  
S02, Burns, Coe and Landen

### **Comments**

Exempts networking equipment from sales tax. Is this special interest pleading or the start of a trend? Probably the former.

R-: The fiscal impact, in the form of a decrease in sales and use tax revenue, is indeterminable. Exempts telecommunications infrastructure from sales and use tax. Lowering taxes is usually a good thing unless government decides to make up any shortfalls by increasing debt.
