## **HB0079, Critical access hospital endowment challenge program.**

Sponsors: Representative(s) Hunt

### **Comments**

This bill extends the life of the Critical access hospital endowment challenge program. Probably a good idea so long as so many hospitals are socialized medicine.

U: The amount of matching funds that might be expended from the critical access/rural hospital endowment challenge program account is indeterminable as the amount of commitments and gifts made during the extension period is indeterminable. This bill extends the date for commitments to make gifts or transfers, and extends the dates in which gifts must be received in order to receive matching funds for the Critical Access Hospital Endowment Challenge Program. We'll call it liberty neutral.

Weighted Rating: 0.50. Unweighted Rating: 0.50.
