62nd Wyoming Legislature ★ 2014 Budget Session

HB0085, State education accountability and assessment-2.

Sponsors: Select Committee on Statewide Education Accountability

Comments

This would require the director of education to see to it that the districts align their teaching to the standard du jour, whatever that may be. More centralization, more re-arranging the deck chairs on the Titanic.

Withdrawn by sponsor. No votes recorded.

Weighted Rating: -0.50. Unweighted Rating: -0.50.
