Signed by the Governor.

#### **Comments**

Allows health care districts to contract out some of their work. If it reduces costs, it might be an improvement.

N: No significant fiscal or personnel impact. Increases the flexibility of local rural health districts which is nice, but it is still within government. We'll give this one the benefit of the doubt and call it liberty neutral.

Weighted Rating: 0.00. Unweighted Rating: 0.00.
