62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0093, Shipment of wine.**

Sponsors: Representative(s) Hunt, Greene, Krone and Petroff

### **Comments**

A step in the right direction. We should get rid of the entire prohibition on shipping alcoholic beverages into the state, and privatize the state liquor warehouse while we're at it. This is an embarrassing holdover from prohibition.

U: The fiscal impact is indeterminable. This is a baby step that loosens the restrictions that limit the wine selection available to the People thru the normal state liquor monopoly distribution channels in the State of Wyoming.
