

Wyoming Liberty Index

62nd Wyoming Legislature ★ 2014 Budget Session

HB0094, Restoring constitutional governance act.

Sponsors: Representative(s) Kroeker, Baker, Halverson, Hunt, Hutchings, Jaggi, Loucks, Miller, Piiparinen and Reeder and Senator(s) Case

Comments

A good start on reducing federal overreach. It is part of the job of government to protect the rights of the people, including from the federal government.

N: No fiscal or personnel impact. An effort to undo some of the unconstitutional and potentially fascist or even deadly aspects of the NDAA. Governmental centralization is always inimical to Liberty. Ignoring the provisions of the Constitutions of the USA or of the State of Wyoming almost always promotes the centralization of governmental power and damages Liberty.

Weighted Rating: 2.00. Unweighted Rating: 1.00.
