Signed by the Governor.

Comments

Directs the Department of Health to start a diabetes prevention program. Yet more government nanny state invasion of health care.

N: No significant fiscal or personnel impact. A mixed bag. A commendable effort to get a handle on a serious disease will be the take of some. Others will see this as just another do-nothing report that enables incumbents to add a little insurance to their reelection campaigns by being able to say, "See what I did about diabetes!"

Weighted Rating: -0.50. Unweighted Rating: -0.50.
