## **HB0105, Unmanned aerial surveillance.**

Sponsors: Representative(s) Loucks, Cannady, Halverson, Hunt, Jaggi, Kroeker, Krone, McKim, Miller, Winters and Zwonitzer, Dn. and Senator(s) Case

### **Comments**

Not the strongest possible control on the use of drones for law enforcement, but much better than what we have now,

U: The fiscal impact to the judicial system is indeterminable due to an unknown number of cases. The bill is designed to clarify how surveillance drones may be used and still be in compliance with the fourth amendment to the United States constitution and article 1, section 4 of the Wyoming constitution.
