62<sup>nd</sup> Wyoming Legislature ★ 2014 Budget Session

## **HB0118, State miner's hospital legislative oversight committee.**

Sponsors: Representative(s) Baker, Barlow, Davison and Kasperik

### **Comments**

Re-creates and enlarges the State miner's hospital legislative oversight committee.

A: This bill contains an appropriation of \$18,000 from the GENERAL FUND to the Legislative Service Office. Recreates a Legislative Oversight Board watching/advising the Wyoming Miners' Hospital Board. This adds to the bureaucracy and may imply that the Governor has not appointed competent personnel to the WMHB. The appropriation is not large which lessens the probability that it is simply a boondoggle. We'll call it Liberty neutral for now.
